

NEW

Big Mouth

Waffle Pod 4 way spacer

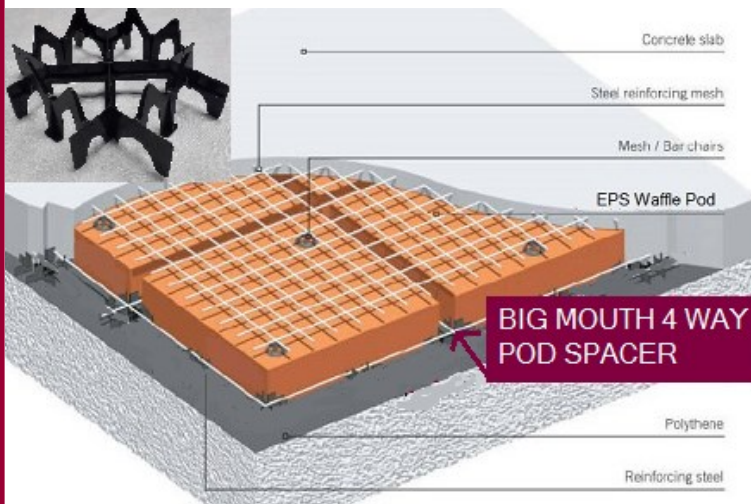

The Big Mouth has a large 65mm opening that allows for time saving, easy self locating of Bar into the spacer

NOW AVAILABLE! in Victoria, NSW and SA

Calculating the number of 4 way spacers

1. Divide the total area m² by 1.51 to get number of Waffle Pods required for the slab.
2. Multiply the number of pods by 1.40 to calculate the number of 4 way spacers.

- 65mm Big Mouth Opening allows for easy bar self locating
- Long locating lugs on 2 sides for secure locating of pod
- Large all round openings to allow for better concrete flow
- Manufactured from lightweight strong polymers
- Designed to save time and labour costs
- Fully recyclable polymers
